

Email Writing

আধুনিক যোগাযোগ মাধ্যম হিসেবে Email গুরুত্বপূর্ণ ভূমিকা পালন করছে। এটি দ্রুত ও কম খরচে যোগাযোগের একমাত্র মাধ্যম। বর্তমানে অধিকাংশ ব্যক্তি তার বন্ধু-বান্ধব ও আত্মীয় স্বজনের সাথে যোগাযোগের জন্য এই মাধ্যমের সহায়তা নেয়। এমনকি বিভিন্ন ব্যবসায়িক প্রতিষ্ঠানও যোগাযোগের মাধ্যম হিসেবে Email কে অগ্রাধিকার দেয়।

অনেক শিক্ষার্থী Email লেখার কথা শুনলে ঘাবড়ে যেতে পারে। কিন্তু ঘাবড়ানোর কিছু নেই। কারণ বিভিন্ন চিঠিপত্র লেখার ক্ষেত্রে পূর্বে যে নিয়ম অনুসরণ করা হত, Email এর ক্ষেত্রেও ঠিক একই নিয়ম অনুসরণ করতে হবে। শুধুমাত্র Subject এর পূর্বে সামান্য পরিবর্তন আছে। মনে রাখতে হবে, Email হল বিভিন্ন চিঠিপত্র বা document পাঠানোর মাধ্যম মাত্র। অর্থাৎ পূর্বে আমরা Post Office এর মাধ্যমে বিভিন্ন চিঠিপত্র বা ডকুমেন্ট পাঠাতাম কিন্তু এখন তা Computer এর মাধ্যমে Compose করে Email এর সহায়তায় এক মুহূর্তের মধ্যে তা অন্যের কাছে পাঠাতে পারি। Personal Email সাধারণত informal letter- এর চেয়েও বেশি informal। এখানে 'Dear X' এর পরিবর্তে 'X', 'Hi', 'Hi X', 'Hello X' ইত্যাদি লেখা হয়। একটি Informal Email এর বিভিন্ন অংশ লক্ষ কর :

Formal Email Format

Use this format for professional purposes, for writing to professors, and for applications and resumes.

Body of email

Personal (informal) Email Format

Adam,
Dear Adam
Dear Adam,
Dear Mr. Turner,
Dear Mr. Turner
Or
Hi, Adam,
Hello, Mr. Turner.

Very informal

The greeting in a personal email is not that important but follow the punctuation here at least. It also depends on the relationship between the people too much to give clear rules. There is also a Korean email style that is influenced by the Internet. Overusing !!!! and --- is common in emails from Korean students. Do not use Hi!!! or Bye~~ when emailing foreign Professors. It looks childish.

Period only after beginning with "Hi"

Comma after Hi or Hello,

Body of email

Take care, Bye, See you tomorrow, Love, etc. many closings are possible.

Example 1: An official email

Tips for writing Formal Email

1. If you know the name of the person you're writing to, use Mr for a man and Ms for a woman.
2. Start by saying why you are writing or what you are responding to.
3. Use indirect questions such as I would be grateful if you could ... to ask for information politely.
4. Use words like firstly, secondly and finally to order your points.
5. Use this standard phrase to finish a formal letter or e-mail.
6. If you've begun the email with dear and the name of the person, finish with yours sincerely. If you have used dear sir or madam, finish with yours faithfully.

Subject : English courses

Dear Ms Black

I am writing in response to the advertisement I saw for your English school in 'World Teens Today' magazine. I am interested in doing one of your courses and I would be grateful if you could provide some further information.

Firstly, it says in the advertisement that the courses are two weeks long. Would it be possible to do a three-week course? I would also like to know how much your courses cost exactly.

Secondly, your advert mentions accommodation with host families. Could you tell me if I would be staying on my own with the host family or if there would be other students staying there as well?

Finally, I have a question about the social programme. Would you mind sending me more details about this? I am very keen on sport and I would like to know if there are any sports activities included in the social programme.

I look forward to hearing from you.

Yours sincerely

Dear brother

I'm very happy that you're participating in the debating competition in your college. You've asked me for necessary information. Your debate topic is "Creative question pattern makes students dependent more on guides than textbooks." You need information against this statement. Now, I'm providing you the main information. First of all, creative question pattern guides the students to read and understand their textbook well because without reading it they will not be able to answer the questions. Secondly, it stops the tendency of memorizing the answer from the guide books. So they've to read and understand their text first. Thirdly, in creative question pattern there is no scope of copying. Beside the above information, you can take help from newspaper, magazine, internet etc.

Hi Shafiq

I hope, you are hale and hearty by the grace of Almighty. Yesterday I had a train journey from Mymensingh to Dhaka. I am giving you a short description of my experience.

The train was the Padma Express. It reached Mymensingh in time. My uncle and I got on the train and within a few minutes it left the station. I had a very comfortable seat beside a window. So I could enjoy the sights outside. The sun was setting then. I was charmed to see its beauty at dusk. The train was moving very fast. The houses and trees at a distance appeared to be running forward with the train. But the things near the train seemed to be running fast backward.

I enjoyed the beauty very deeply. After two hours' journey we arrived at Kamlapur.

That's all for today. With best wishes.

Yours sincerely

18 Imagine you have a chance to fly either a wide bodied passenger plane or a helicopter. It is a half-an-hour's free ride. Write an email to your pen-friend telling him/her about your experience of flying.

Hi Mukul

How are you? Hope you are safe and sound.

Today I'll tell you about an exciting event which came in my life last week. I had a chance to travel by air for thirty minutes from Dhaka to Jessore. It was the first time I travelled on a plane. It was on the occasion of my elder sister's marriage ceremony. At the time of take off I became a bit nervous but soon after it continued to fly above clouds, I got out of my nervousness. The thirty minutes passed very quickly at the announcement that we were at Jessore Airport. The incident of my maiden journey by air is now a memory to recollect. I will not forget it in my life.

No more today. I look forward to hearing from you about your first air journey.

With love.

19 Write an email to your friend describing the co-curricular activities of your college.

Subject : co-curricular activities

Hi, Nazim/ Najma

Thanks for your email. In your email you wanted to know about the co-curricular activities of our college and the benefits of such activities. Here is a brief description about it.

As a part of co-curricular activities our college includes debate, publication of magazine, cultural activities such as singing, dancing. Co-curricular activities help us to bring out the best and the latent talents of us. Again games and sports are also very much related with the study because without a sound health a student cannot concentrate on his study. They teach students to be polite, modest, gentle, loyal, diligent and perseverant. They also tighten the bondage of friendship and brotherhood among the students. This is why our college authority gives so much emphasis on co-curricular activities as our routine work in the college.

No more today.

20 Write an email advising your brother to avoid evil company.

Subject : evil company may lead you to the dog

My dear brother

I am glad to know that you have got many new friends. I think all your friends may not be good friends. So I advise you to choose good friends and not to keep company with bad boys.

You should know the consequence of an evil company. Evil company is like a rotten fruit that affects other fruits with it. Similarly, bad boys will make you bad. They will demoralize you and spoil your career. Bad boys do not obey their parents. Before you become intimate with new friends, you should identify whether they are good or bad. Never make friendship with bad boys. Remember that a man is known by the company he keeps. I want you to follow my advice.

I wish you a happy and prosperous life. May Allah bless you.

My dear Mother

Take my salam. Hope you are well. Today I shall tell you something about my hostel life. Our hostel is attached to the college compound. The northern side of the hostel building is open. Since my arrival I have been accustomed (অভ্যস্ত) to a new disciplined life. The hostel is so different from one's home. Despite that it is interesting. There is a good academic atmosphere here. I have to get up early in the morning. We take our breakfast together at 7:30 am. Our classes start at 8 o'clock. We generally take our lunch at 1 pm.

Everyday I meet new students. Most of them are friendly. So I do not feel homesick. I am quite happy.

However, I miss your company. I am devoid of your affection. Convey my regards to father and affection to my younger sisters.

Dear Simon

I have reached home safe and sound. But I saw a tragic road accident. Now I am writing a few words about it.

It was about evening. A Dhaka bound luxury bus was going to over-take a local bus at Joydevpur Chourasta. As the bus suddenly came from the back, a boy aged about 10, fell under the wheels of the vehicle. It ran over the boy killing him on the spot. Many people came running. The boy was lying in a pool of blood. The driver tried to escape. But the people caught him. He was handed over to the police. But a tender life was nipped in the bud.

It was my first experience of witnessing an accident. I will never forget this tragic scene.

With best wishes.

Yours ever

Nadim

Hi, friend

I am sorry to hear that your father has passed away. He was a noble and benevolent person indeed. I respect and honour such a good man.

Yet what can we do? As a law of nature, man must die. We all have the same fate in this world. So do not grieve too much. It will tell upon your health and you will not be able to do your duties properly.

No more today. Keep patience. Take care.
