Subject: Application for opening a cultural club.

Sir,

With due respect, we beg to state that there is no cultural club in our college. As a result, we are out of any involvement with any artistic or cultural activities in the college. Most of us spend our leisure time doing nothing or at best gossiping idly. We have no scope to nourish our latent talent for music, acting, debates or other creative activities. A cultural society at the college will enable us to develop our mental intellectual and creative faculties. It will help us become a complete man individually.

We, therefore, pray and hope that you would consider our prayer sympathetically and take all necessary steps to establish a cultural club in our college so as to make us fit for competitive world.

Obediently yours

Arifeen Ahmed and Dorothy

Dear Mr. Haq :

The refrigerator (Model : SJ-GC700VSL, Invoice : THS5248) I purchased from your sales center four months ago is not working. I suppose it was defective and somehow it slipped your inspection process.

I already phoned your office. My call was received by someone who said that you were going to repair it for me. But this product carries a five year warranty and I would like you to replace it with a new one rather than just repair it.

I hope you would take immediate action in this matter.

Sincerely,

Noel D. Santiago
